- Best industry pouch-burst strength of 862 lbs

SOS Food Lab Emergency Water Rations ensure access to potable drinking water in emergency situations. Our water is triple-purified using reverse osmosis, is UV sterilized, and Ozone treated. Easy open, vacuum-packed foil packaging makes it easier to store and distribute. Used in emergency and survival situations, and for preparedness market – including outdoor activities like hiking, fishing, etc. Perfect for response teams, police, fire, military and aviation when water access is uncertain.
